THE CUMBERLAND NURSERIES

WINCHESTER, TENNESSEE

SURPLUS SPRING 1922

We have been taking up one year apple since the early part of December, we are finding generally good stock and plenty of them. These trees are all grown from scions cut from bearing orchards, they are in the truest sense TRUSTWORTHY trees and can be placed with confidence that they will prove true to name.

One Year Apple Grafts 4-6ft 5-4ft 30-36in.
